Largest Gathering of Pro-Life College Students in Nation's History

Students for Life of America's 21st Annual Pro-Life Conference

January 17th- On Sunday, January 20, 2008, at 9:00AM in the Pryzbyla Center on the Catholic University of America campus, Students for Life of America will host their 21st annual conference.

This year's Students for Life of America Conference is the largest in the organization's 21 year history and will be the **largest gathering of pro-life students in the country's history; over 800 students will be in attendance.** Along with providing training and networking opportunities for students, the conference will showcase groups such as Feminists for Life, Concerned Women of America, the National Black Pro-Life Union, the Family Research Council, and many others.

The **Hon. Phill Kline** will be accepting this year's **Defender of Life award** and speaking at the awards presentation at 8:45PM. As Kansas Attorney General, Kline initiated an investigation into child rape, failure to report child rape, and criminal late-term abortion. The investigation led to a judge issuing subpoenas for 90 abortion records after finding probable cause to believe that crimes have been committed, from the Kansas City Planned Parenthood clinic and the clinic of late-term abortionist George Tiller of Wichita. Now, as District Attorney of Johnson County Kansas, Kline has filed **107 criminal charges against the Planned Parenthood** clinic located in Overland Park, KS.

According to Danielle Huntley, Boston College Law student, "SFLA's conference is a vibrant experience. I always leave recharged and ready to find pro-life, pro-woman solutions on my campus. It is an event not to be missed by any pro-life student."
